Freely choose to join *Peace And Love Proclaimers (PLP)*, the big family of high school students who stand for peace, love, and unity in Rwanda.

By signing this paper, I promise with all my heart to:

1. Live every day by Peace and Love Proclaim.
2. Never use words or actions that divide people (by tribe, region, religion, or anything else).
3. Say NO to genocide ideology and teach others why "Never Again" is so important.
4. Come to PLP club meetings and activities at school whenever I can (Walk to Remember, SkillUp, projects, etc.).
5. Treat every PLP member like my real brother or sister with respect and love.
6. Protect the name of PLP and never use it for bad things or for my own benefit.
7. Take good care of PLP T-shirts, books, or anything the club gives me.
8. Accept that if I do something very wrong (fighting, stealing, insulting, discriminating, etc.), the club leaders can remove me after talking with me fairly.
9. Know that PLP is free and I can leave anytime if I want just tell my club leader.

I understand that being a Proclaimer is a big responsibility and I am proud to join this family!

I have read this (or someone read it to me) and I agree with everything.
